

# WHERE TO TURN: DEALING WITH OPIOIDS IN YOUR AREA

Opioid abuse affects individuals and communities across all walks of life. And housing co-operatives are no exception. Having information on hand about the crisis, and tools to help those affected by addiction, can help staff and members feel better equipped to deal with the issue. This resource will provide you links to:

- **access to naloxone in every province and territory**
- **treatment information for people affected by opioid addiction**
- **helpline telephone numbers for direct support**

## Across Canada
